

Beyond Summer Job RFP Questions & Answers

Q: I understand the criteria for application is being both a WIOA and One Summer Contract to be eligible to apply. Will they consider collaborative proposals between two agencies when one has a WIOA contract and the other has One Summer?

A: *Yes, The Partnership will consider collaborative proposals for funding.*

Q: Is there a match required? Do our existing WIOA and One Summer Chicago funding count as leverage?

A: *There is a required match per the contract. WIOA and One Summer Chicago funding can be used as leverage. You will be required to identify the costs being leveraged on a quarterly basis.*

Q: Is the goal serving 300 youth split across evenly the three awardees (so 100 per agency)?

A: *The 300 youth do not need to be evenly spread across the three agencies*

Q: Are the deliverables noted in the scope of service document a cumulative of expected stats across the three awardees?

A: *Yes, the deliverables in the scope of work are program cumulative*

Q: Can we focus on out-of-school or would we need to service a small number of in-school youth as well?

A: *Agencies can apply to focus on a single subset of youth, i.e., only out-of-school or only in-school.*

Q: The grant looks like 1 year and 10 months. Should we devise our budget that way?

A: *The dates on the budget forms are incorrect. Assume that the contract, and therefore the budget, will be for 22 months (August 1, 2017- May 20, 2018).*

Q: When will awardees be notified so that August startup is manageable?

A: *The Partnership hopes to notify awarded agencies shortly after proposals are due.*

Q: Once awarded, when will agencies receive their first payment (start-up assistance)?

A: *The first payment will be issued after the first invoice is received from the awardee. No advances will be issued for this contract.*
